

SPECIFICATION

Product Code : 19900

Product : YEAST EXTRACT POWDER
FOR BACTERIOLOGY

Water soluble fraction of yeast autolysate

Standard material for culture media

Rich in B-Vitamins and growth factors.

Minimum assay (ex N on
dried substances)

60%

Maximum Limits of Impurities:

Phosphorus

2.5%

Coagulatable protein

not detectable

Heavy metals (as Pb)

0.005%

Loss on drying

5%

Sulphated ash

15%

Suitability for microbiology

passes test

Heat resistant bacteria

not detectable

Cas No: 8013-01-2 Un No. NR TARIFF : 2102 10 10

F : 3-9
